Hiring Manager

Minapharm Pharmaceuticals

Cairo, Egypt

Dear Hiring Manager,

I am writing to express my interest in the software engineering position at Minapharm Pharmaceuticals, as advertised. With three years of hands-on experience in software development, particularly in Oracle APEX, I have honed my skills in designing and implementing innovative solutions that align with your company's commitment to excellence and continuous learning. My experience has equipped me with a strong foundation in various programming languages and frameworks, making me well-suited to contribute to your team.

Throughout my career, I have successfully designed and implemented numerous projects, demonstrating my ability to manage deadlines, write clear system documentation, and provide user training and support. My advanced knowledge of Oracle SQL/PLSQL, combined with my familiarity with HTML5, CSS, and JavaScript, allows me to develop robust systems tailored to the needs of users. I am particularly drawn to Minapharm's values of diversity, collaboration, and innovation, which resonate with my own professional ethos.

I am eager to bring my strong problem-solving skills and passion for technology to Minapharm Pharmaceuticals and contribute to the development of life-saving products. I look forward to the opportunity to discuss how my background, skills, and enthusiasm can align with the goals of your team.

Thank you for considering my application.

Sincerely,

Adham Altonsy
